Yu Sun

Email: yusun.sun@utoronto.ca **Website:** https://i-yusun.github.io/

APPOINTMENT

University of Toronto *Toronto, ON, Canada*
Postdoctoral Research Fellow, Rotman School of Management 2025.09 - Present
Advisors: Hansheng Jiang, Sheng Liu, Ming Hu

EDUCATION

The Chinese University of Hong Kong *Hong Kong SAR*
Ph.D. in Systems Engineering & Engineering Management 2020.08 - 2025.07
Advisor: Daniel Zhuoyu Long

Johns Hopkins University *Washington, D.C., USA*
Visiting Student, Carey Business School 2023.08 - 2024.07
Advisor: Ruxian Wang

Nanjing University *Nanjing, China*
B.E. in Industrial Engineering, Excellent Graduate 2016.09 - 2020.06

RESEARCH

[1] "Distributionally Robust Group Testing with Correlation Information," Daniel Zhuoyu Long, Jin Qi, Yu Sun, Aiqi Zhang. Articles in Advance, **Management Science**. (link)
- Finalist, POMS College of Healthcare Operations Management (CHOM) Best Paper Competition, 2026

[2] "Choice-based Assortment Optimization with Distributional Ambiguity," Qingwei Jin, Daniel Zhuoyu Long, Yu Sun, Bin Hu. Major Revision, **Management Science**. (link)
- Second Prize, CSAMSE Best Paper Award, 2024

[3] "Distributionally Robust Sourcing under Yield and Demand Uncertainty," Zhi Chen, Daniel Zhuoyu Long, Yu Sun, Zhiyong Zhuang. Under Review. (link)

[4] "AI vs. Human Search," Ming Hu, Hansheng Jiang, Sheng Liu, Yu Sun. Working Paper.

[5] "Sequential Choice Model with Representative Products: Modeling and Optimization," Yu Sun, Ruxian Wang. Working Paper.

[6] "Decision-Aware Utility Learning for Assortment Optimization," Hansheng Jiang, Sheng Liu, Daniel Zhuoyu Long, Yu Sun, Ruxian Wang. Working Paper.

AWARDS & HONORS

Finalist, POMS CHOM Best Paper Competition 2026
Reaching Out Award, Education Bureau, Hong Kong SAR 2025
Second Prize, CSAMSE Best Paper Award 2024
PhD International Mobility for Partnerships and Collaborations Award,
The Chinese University of Hong Kong 2023
Excellent Graduate, Nanjing University 2020
Excellent Student Cadres, Education Department of Jiangsu Province 2019

National Scholarship, Ministry of Education, China	2018
Excellent Student Cadres, Nanjing University	2018
CMB One Card Scholarship, Nanjing University	2017
Excellent Student, Nanjing University	2017

TEACHING

Teaching Assistant, The Chinese University of Hong Kong

ESTR 1005: Linear Algebra for Engineers (Elite Stream)	2021-2023
SEEM 3500: Quality Control and Management	2021-2022
SEEM 3620: Introduction to Logistics and Supply Chain Management	2023
SEEM 5710: Principles of Operations Management (Graduate Level)	2021-2024

Teaching Assistant, The Chinese University of Hong Kong, Shenzhen

LSC 5710: Transportation Logistics (EMSc Level)	2023

CONFERENCE TALKS

Distributionally Robust Group Testing with Correlation Information
INFORMS Annual Meeting, 2022, 2023, 2024
CSAMSE Conference, 2023
POMS-HK International Conference, 2023, 2024

Choice-based Assortment Optimization with Distributional Ambiguity
INFORMS MSOM Conference, 2023
CSAMSE Conference, 2023, 2024
INFORMS Annual Meeting, 2023
POMS-HK International Conference, 2023, 2024, 2025

Sequential Choice Model with Representative Products
INFORMS MSOM Conference, 2024
INFORMS Revenue Management and Pricing Section Conference, 2024
INFORMS Annual Meeting, 2024, 2025
POMS-HK International Conference, 2025

AI vs. Human Search
INFORMS Annual Meeting, 2026

Decision-Aware Utility Learning for Assortment Optimization
AIMOR Workshop, 2026
